

# APOLOGY

Dear Customers

We have been advised that a product from the Leading Edge Electronics "Things to take Note of" February catalogue is out of stock and unavailable. On page 2, the Olympus 20DS30 66 Hour Digital Voice Recorder has been discontinued and no longer available. The replacement model is available (20DM450) and is shown below...

**FLYING MONKEY**  
Watch the amazing flying monkey soar as you sling it into the air with a sling-shot pulling action. The masked and hooded super monkey can fly up to 15 metres, and makes a real-life monkey scream as it flies.
